

All catches, past and present are eligible as long as they can be properly documented and have been caught in accordance with IGFA rules.

It is not necessary to kill the fish and IGFA encourages catch-and-release.

For purposes of the IGFA Royal Slam Clubs, a Royal Slam is defined as an individual angler catching, or catching-and-releasing, under IGFA rules the following species as listed below during their lifetime. Details on the eligible species for each Slam Club can be found in the *World Record Game Fishes* book or online at **www.igfa.org**.

Photos of the angler with the fish and the contact information of the captain and/or witness are required for catches made after January 1, 2012. Send complete application and photos to IGFA at 300 Gulf Stream Way, Dania Beach, FL 33004.

Documents can also be sent by email to hq@igfa.org.

This Grand Slam Application can also be filled out online at igfa.org/royal-slam-application
